

ADPIE8AIHLB

PCIe x8 Slot / HAILO-8 AI processor *2

HAILO
Empowering Intelligence

Features

1. 2*Hailo-8™ AI processor
2. Enabling real-time, low latency and high-efficiency AI inferencing on edge devices
3. Powered by 2*26 TOPS Hailo-8™ AI Processor with best-in-class power efficiency
4. **Precautions :** ADPIE8AIHLB cannot be sold separately, it must be used together with the MI3H motherboard

Specifications

Dimensions	• 72 x 42.5mm (PCIe x8)
Model	JADPIE8AIHLB
Chip	• 2*Hailo-8™ AI processor
Power consumption	• 8.25W (each processor)
Temperature	<ul style="list-style-type: none"> • Operating Temperature: 0 ~ 70° C • Storage Temperature: -40~ 85° C • 10% ~ 90% RH @40°C (non-condensing)
Warranty	• 2 Years limited warranty
